

EMPLOYER CONNECTIONS

MULTI-SERVICE CENTRE

A Quarterly Update for Local Employers | September 2026

Supporting a Stronger Workforce

The MSC Employment Services team works alongside local employers to build connections, strengthen our workforce, and create opportunities within our community.

- Posting job opportunities
- Pre-screening of resumes
- Access to government placement incentive programs
- Connection to skill building through the MSC's Get SET program
- Information on the local labour market, apprenticeships, Employment Standards Act, and more
- Provide space for interviews & job fairs
- Ongoing support is available to increase employee retention

Highlights from This Quarter

Over the past few months, we have continued supporting local employers and job seekers through events, employer outreach, and workforce initiatives.

Recruitment Events

SOPREMA Job Fair

262 people attended SOPREMA's recent hiring event, providing them with an opportunity to connect with lots of job seekers.

Rhythm Automotive Hiring Event

A pre-registration format was introduced to create a smoother experience for both employers and candidates, with 30 interview spots scheduled.

peopleCare Hiring Events

The first open house welcomed 193 attendees, followed by a second event with 24 pre-scheduled interviews.

Partnerships

Community Connections Breakfast

We partnered with the Tillsonburg Chamber of Commerce to bring local business owners together for a morning of learning, networking, and hot coffee!

Join us for our next Community Connections Breakfast: September 9th.

New businesses to the Chamber or MSC Employment Services are invited to register for this free event.

Employer Spotlight

SOPREMA

A big thank you to SOPREMA for their continued support of local workforce initiatives.

"The event would never have been such a great success without you and your team. We really appreciated all the time, effort, and care you put into making the day such a positive experience for everyone."

MSC Employment Services is proud to partner with employers who value community connections and are committed to creating meaningful opportunities for local job seekers.
